Coming! The Rifter® #80

Wayne Smith and I have been working on selecting and editing material for **The Rifter® #80** and **#81**, with an eye

open for additional articles and adventures for the issues that will quickly follow as we get caught up. Some of the upcoming issues of

The Rifter®

will include articles and adventure source material by *Greg Diaczyk, Julius Rosenstein, Mark Oberle*

and me,

Kevin Siembieda

.

So far it is looking like **The Rifter® #80** should include source material for

Rifts®, Splicers®, Heroes Unlimited™

, and more. I've been editing and cleaning up the

Splicers

® article earlier this week and I think you Spliceheads will enjoy it.

Writers and Gamers Note: Palladium has several issues of **The Rifter®** to get caught up with so the next two months are an excellent time to submit gaming articles, adventures, monsters, new characters/O.C.C.s and other source material for

possible publication in

The Rifter®

. Artwork too! Please send electronic files and the

[the Unsolicited Manuscript Form](#)

to: rifiersub{at}palladiumbooks.com

Of course, all such submissions are created entirely on speculation and there is no promise we will publish your submission in **The Rifter®**, but this is a great time to be seen. And remember, many writers and artists who started out in **The Rifter®** went on to work on official sourcebooks. This is a great way to share your ideas and adventures with other gamers.

Coming! Rifts® Bestiary Vol. One and Vol. Two

Chuck Walton continues to pound out artwork for these books that looks amazing, and he is already tightening the art for finished illustrations. The art depicted here is one new monster concept drawing. I hope to slip a few pieces of art into these books too.

Otherwise writing away as I juggle several projects. We have also received some creature stats and ideas from a few other freelance authors. As noted in the past, we are working on both volumes simultaneously. Very excited about these two books as they develop into something truly special. Below is just one of Charles Walton's concept sketches that has been approved.

Back in Stock: Rifts® Dimension Book One: Wormwood™

TM

Wormwood is a mysterious living planet of unknown origin and purpose. It is presumed to be some sort of colony world and supports human life, but under the strangest conditions. It might be an idyllic environment if not for the corrupting “infections” that are the Unholy and his minions – demonic and monstrous creatures who battle for domination of the planet and its inhabitants. So it is that humans and monsters, the good and the wicked are at constant war with one another. Epic adventure, horror and the supernatural. There is nothing quite like Wormwood in the Megaverse®.

- The Good and the human are represented by the Cathedral. Its Champions of Light include warrior priests, monks, Wormspeakers (seers), Symbiotic Warriors, Knights of the Temple, Holy Terrors and the most powerful and heroic of them all, the legendary Apok.

New! Rifts® Bestiary™: North America, Vol. One

A series of books that collects all the notable monsters, dinosaurs and creepy crawlers and creatures of Rifts® North

America (US, Canada and Mexico) into two juicy volumes with a number of new creatures. Each volume includes maps and new creatures, large and small, to help or plague player characters. Between them, these two volumes compile all the beasts of *Rifts North America* (unintelligent monsters, predators, notable animals

and intelligent beings that are monstrous or animal-like in appearance or behavior) from all current World Books and Sourcebooks. In addition, Kevin Siembieda, Chuck Walton and Greg Diaczyk are adding some new monsters to make life in the wilderness interesting. Presented in alphabetical order, with maps showing

their range and location, in two big books.

Winter releases, both volumes are being worked on simultaneously, right now, so that Volume Two will quickly follow Volume One within 4-6 weeks.

Other volumes, like a Bestiary of Spirits and the

Supernatural, are likely to follow.

Future volumes will include spirits, ghosts and entities, another on dragons, other volumes on creatures in other parts of Rifts Earth, and so on.
